Over on [Budget Bambino Goodies](#) Brenda has been working hard to meet the challenge set by BG fan Caroline. Super Brenda has risen to the challenge and shaved an impressive £50 from Caroline's budget for a new cot bed and organic mattress without sacrificing style. Now Caroline has made her choices, I thought she might like some funky bedding to complete the look.

We have been teasing you with talk of our [Bubble Favourites Cloud Cuckoo Designs](#) and now I have the perfect opportunity

to rave about them! If you want stylish textiles for your bambino's bedroom look not further than this fabulous design duo. The bedding range was only launched Summer 2008 and is already making waves in the baby design world.

These yummy quilts are giving me serious palpitations just looking at them. You get two looks in one as they have gorgeous prints on both sides. You can also use them as a play mat – so many reasons to buy... Still available in all four gorgeous prints for [£40](#).

Sheets don't have to be plain. I love these cloves print sheets (pictured above left) you can have them in sea blue or tearose. Personally I'd have both! [£16](#) each.

If your bambino is not yet ready for a quilt (12 months and under) then they will be snug in one of these fabulous sleeping bags. Choose, if you can, from one of the three signature prints for this season before they sell out. 0 – 6 and 6 – 12 months from [£24](#).

So much goodness, I'm sure Caroline will find some beautiful bedding to rock her bambino's new cot bed.

All available from [Cloud Cuckoo Designs](#) at [Not in the High Street](#).
